

Cette épreuve comporte 40 questions. Les questions sont toutes indépendantes les unes des autres. Pour chaque question, 4 réponses sont proposées A, B, C ou D. Une seule réponse est correcte. Vous devez **reporter vos réponses sur la grille RÉPONSE** en noircissant la case de votre réponse.

Par exemple :

Question 1 : Chaque année, Noël tombe le :

Réponses : A : 1^{er} janvier
 B : 6 décembre
 C : 25 décembre
 D : 31 décembre

Sur la fiche réponse, vous devez clairement noircir la case réponse C

	A	B	C	D
Q1	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>

Vos réponses doivent être notées au crayon à papier à mine grasse, afin de pouvoir gommer si vous changez d'avis sur la réponse. A défaut, les stylos plume, bille ou feutre noirs sont autorisés.

Le barème est le suivant :

1 point par bonne réponse

0 point si il n'y a pas de réponse ou si la réponse est mauvaise

Ne perdez pas de temps sur une question, si vous butez plus de 1 ou 2 minutes passez à la suivante. Vous reviendrez à cette question plus tard en fonction du temps qu'il vous reste.

Aucun document n'est autorisé. Aucun appareil électronique (téléphone, smartphone, ipad, ordinateur, etc) n'est autorisé. Seules les calculatrices sont autorisées pour l'épreuve de Sciences Pour l'Ingénieur (modèle accepté aux épreuves du baccalauréat).

Les énoncés et les brouillons seront ramassés à la fin des épreuves pour être détruits.

Bon courage !
